Advance-Nilfisk Parts - Imagine how long and tiresome it will really be to tidy up after a party, with no help from machines. Not too long ago, the dirt from carpets and upholstery had to be beat out of them manually; cleaning cloths, brooms, and brushes were the best cleaning products back then.

P.A. Fisker, the man who founded Nilfisk-Advance, was an electrical engineer who loved working with electrical motors. Starting the company in 1906, he started to make motors in order to drive drills, fans, machine tools and coffee grinders. Mr. Fisker's vision from the start was to own a global business selling products internationally.

The Nilfisk C1 was a tremendous breakthrough for the cleaning industry. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed just 17.5 kilos and can be operated by one individual. This invention came in a time where numerous cleaning machines were massive and needed at least 4 operators, therefore, the Nilfisk C1 changed everything and evolved the way we clean forever. The brain behind these very first cleaning equipment remains unparalleled. Cleaning machines provide an excellent solution to an ongoing problem; stuff get filthy and need to be cleaned on a regular basis, without a lot of effort.

Slowly but steadily, Nilfisk-Advance expanded throughout the years. During the 1980s, this expansion truly took place the time the business became a part of the NKT Group. Their new owners' drive and motivation made Nilfisk-Advance take a huge leap ahead within the trade, trying to be among the leading universal players in the market of professional cleaning equipment. Nilfisk-Advance is presently found in every part of the world due to steadily obtaining a lot of smaller businesses in order to grow their product range and presence in new markets. They are really proud to present a variety of cleaning solutions to fit every requirement.
