

Nissan Forklift Part

Nissan Forklift Part - Nissan Motor Co. Ltd prides itself on achieving total consumer contentment when enjoying one of their car, truck or forklift products. They are fully committed to offering high value and meticulous quality standards to their customers. Incorporating a prosperous heritage combined with resilient processing principals, Nissan lift trucks provide many of the finest materials handling equipment the industry has to offer.

In order to meet the worldwide requirements of their diverse purchaser base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to offering customer support, the business has four independent manufacturing facilities that allow them to continually adapt to their consumers continually evolving needs by offering an array of modern ideas and concepts.

The Nissan Forklift North and South American base is located in Marengo, Illinois. A dedicated team of 350 personnel is fully committed to the support, design and manufacture of their goods. Working under the ISO-9001 and ISO-14001 certifications, enables every sector of the Nissan Forklift Corporation to sustain environmental responsibility by utilizing techniques that minimize the worldwide influence of their products and processes. These high values remind clients that Nissan operates under the quality seal that their consumers command while being an environmentally aware organization.

Nissan is quite convinced that any of their clients queries and customer concerns directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, reaching one of their locally sanctioned dealers or even going to their Midwestern office, Nissan Forklift Corporation is certain you will be impressed with their hospitality and commitment.
