

American Lincoln Part

American Lincoln Parts - The American Lincoln division is currently linked with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning equipment that are recognized in the industry as strong and durable equipment which satisfies all the requirements of heavy industry and larger infrastructure. Products made in the United States; the sales are conducted nation- wide through national accounts, authorized distributors and direct Government sales.

American Lincoln shares the battery-operated walk behind model of floor scrubber with the Clarke Company who is currently likewise owned by Nilfisk Advance. Their production operations are mainly based in Springdale Arkansas. These scrubbers are on the market under the trade mark name "Encore". American Lincoln can provide warranty service, machines and components for these scrubbers which have both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice machine of big distribution centers like Wal-Mart and Target. The 7765 line has earned the respect of various facility supervisors where efficiency and results count. Lately, this particular floor scrubber model has been utilized by the architects in different construction projects like Home Depot's and Lowes Home Improvement Stores. Flooring contractors utilize this particular sweeper scrubber on site due to the model's excellent quality and supreme performance level for polishing concrete.
