

Trek Part

Trek Parts - TREK Cleaning Machines is a maker of cleaning machines. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have over 60 years of experience successfully manufacturing, designing, developing, marketing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are dedicated to offering new design concepts and top quality so as to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines continually offers fresh design ideas. They enjoy offering items which energize both their dealers and their partners and provide production gains to their clients.

The team at TREK likes handling new challenges and tasks. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the comprehension of operators' skills and requirements together with their understanding of cleaning applications, along with owners' strong desire to dramatically lessen expense through productivity gains.

When required, the employees within TREK and its several dealer members in both technical support and parts would be available. One of their core values is their high service commitment in their customer service. Keeping their clients' cleaning machines working and ready day after day is top priority. The company's top of the line technology delivers dependable equipment which eventually lowers your cost of cleaning. The service, the product and the price all work together to make them the leader in the trade.
